PROFILE

Enthusiastic and self-motivated front-end developer with over 4 years of experience in a wide range of web technologies. Currently seeking a challenging front-end or full-stack developer role where I can contribute to impactful projects, grow with a passionate team, and continue learning new technologies.

WORK EXPERIENCE

Bookme.store - Remote, Netherlands   2024 - 2025
Front-End Developer

- Developed and maintained user interfaces using React, Next.js, and Tailwind CSS.
- Collaborated with a cross-functional team to build and improve core features.
- Wrote and maintained unit tests using Jest and React Testing Library.
- Integrated APIs and used state management tools to deliver dynamic features.
- Participated in code reviews and agile meetings (stand-ups, sprint planning).

EDUCATION

1337 Med School - Tétouan, Morocco   2022 - Present
School of development Informatics - program

- Completed Common Core program: project-based curriculum focused on software engineering.
- Built real-world projects under tight deadlines and peer review.
- Gained experience in C, C++, Shell (Bash), Linux, and algorithmic problem solving.
- Developed skills in teamwork, adaptability, and self-learning.

Bachelor of Science in Mathematics   2020
Iben Sina, Beni mellal, Morroco
